

Virtual Student Attendance Policy:

Daily attendance will be recorded based on student logins into the LMS/CMS system(s) and completion of lessons, and/or a daily check-in or two-way communication in a manner acceptable to the school with the assigned teacher. If a student logs into the system and completes a lesson, and/or has direct and acceptable communication with a teacher regarding academic work, they will be counted present for that day. It is very important for parents to communicate with school officials regarding their student's attendance. Consequences for excessive and prolonged absences include: parent conferences, administrative actions (up to and including being dropped from the school), and a possible referral for truancy.
